## Helpful Hints from kids

**Scared? Try This**

Face it slowly with a group of friends and/or family.  
Dustin, 11

Whenever you're scared, just think about the happiest moment in your life!  
Renee, 11

Think why you are scared and whether your fear is realistic.  
Mary, 12

Just pray and live your life. Don't be scared. Just have fun because you are a kid only once.  
Bee, 11

Start out with the small things. Then, work your way up until you are not afraid anymore.  
Nick, 12
